Birthday Greetings – Happy Birthday to Pastor Meyer, who celebrated on Monday, May 24! Blessings to you as you celebrate!

Birthday Greetings to Joshua Dirksen. We celebrated his birthday today at school. He will be 7 on July 14. We wish you a Happy Birthday!

Thank You – We had a very successful pizza party the other day. Thank you to the parents who came in and helped with picking up the pizza, serving, and helping with the children. Thank you also for the yummy fresh fruits and vegetables. I believe all the tummies were full after our big lunch. We even had leftover brownies the next day for lunch!

Assessments – We have been busy with reading assessments this week. The students are doing great! Thank you for all the extra time you set aside at home to keep them reading. Please continue to have them read daily at home this summer.

Bible Time – We have been busy studying about Paul from the book of Acts. We are now done with memory work for the school year. We have been reviewing the meanings of the Ten Commandments. They have become masters at singing the Old and New Testament Books of the Bible songs.

Rocket Math – We are done with Rocket Math for this school year. Packets will be sent home to practice the facts over the summer. Thanks for doing this!

Assignment Notebooks – Just a reminder that I do want planners signed for all 2nd graders daily. Some of the students have lost their planners or do not bring them back to school daily. Please give them a friendly reminder of their responsibility in this task.
